ECONOMY / SELECT SERVICE

Holiday Inn Express, Hampton Inn, Fairfield Inn, La Quinta, Best Western

ECONOMY

DOOR HARDWARE

Standard Lever Handle Set

Standard Guest Room — Economy Tier

Material: **Zinc Alloy** Finish: **Satin Chrome**

Why this pairing: Die-cast zinc provides maximum durability at the lowest unit cost. Satin chrome finish resists fingerprints and cleaning chemicals, reducing maintenance in high-turnover rooms.

ECONOMY

BATHROOM FIXTURES

Chrome Towel Bar & Hook Set

Standard Guest Room — Economy Tier

Material: **304 SS** Finish: **Polished Chrome**

Why this pairing: Chrome-finished stainless steel is the industry standard for economy properties — easy to clean, corrosion-resistant, and cost-effective for bulk procurement across hundreds of rooms.

ECONOMY

FURNITURE HARDWARE

Standard Drawer Pulls & Slides

Standard Guest Room — Economy Tier

Material: **Zinc Alloy** Cycle: **80K+**

Why this pairing: Simple T-bar pulls and ball-bearing slides deliver reliable performance at scale. Zinc plated finish keeps unit cost low while maintaining a clean, modern appearance.

MIDSCALE

Courtyard by Marriott, Holiday Inn, Hyatt Place, Wyndham

\$\$

MIDSCALE

DOOR HARDWARE

Commercial Lever Handle Set

Standard Guest Room — Midscale Tier

Material: **Zinc / Aluminum**

Finish: **Brushed Nickel**

Why this pairing: Brushed nickel offers a step-up from basic chrome, giving midscale rooms a more contemporary feel. Die-cast construction keeps cost within brand standards while improving perceived quality.

MIDSCALE

BATHROOM FIXTURES

Brushed Nickel Bath Accessories Set

Standard Guest Room — Midscale Tier

Material: **SS 304**

Set: **4-piece**

Why this pairing: Coordinated 4-piece sets (towel bar, robe hook, toilet paper holder, towel ring) in brushed nickel deliver brand consistency across all midscale rooms at volume pricing.

UPPER MIDSCALE

Hilton Garden Inn, DoubleTree, Crowne Plaza, Radisson

SMART HOTEL

Electronic Lock Housing

Deluxe Guest Room — Upper Midscale

Material: **6061 Aluminum** Finish: **Brushed Nickel**

Why this pairing: Upper midscale brands are rapidly adopting mobile key technology. Tutamen's CNC-machined lock housings provide the precision fit required for RFID/BLE electronics while matching the design language of the tier.

UPPER MID

LIGHTING

LED Heat Sink & Fixture Housing

Deluxe Guest Room — Upper Midscale

Material: **6063 Aluminum** Thermal: **30W**

Why this pairing: Design-conscious upper midscale properties are upgrading to LED throughout. Tutamen's heat sink assemblies extend lamp life to 50,000+ hours, reducing maintenance costs for larger properties.

UPSCALE

Marriott, Hilton, Hyatt Regency, Sheraton, Westin

\$\$\$\$

UPSCALE

BATHROOM

Premium Shower Hardware Set

Premier Suite — Upscale Tier

Material: **Solid Brass** Finish: **Brushed Gold**

Why this pairing: Upscale properties demand premium finishes that elevate the guest bathroom experience. Solid brass construction with brushed gold PVD coating delivers the weight and warmth expected at this tier.

UPSCALE

FURNITURE

Designer Drawer Pulls & Knobs

Premier Suite — Upscale Tier

Material: **Aluminum** Finish: **Matte Black**

Why this pairing: Matte black hardware is the dominant design trend in upscale hospitality. CNC-machined aluminum provides the crisp lines and substantial feel that designers specify for premium casegoods.

UPSCALE

LIGHTING

Decorative Light Frames & Bezels

Executive Suite — Upper Upscale Tier

Material: **Brass** Finish: **PVD Gold**

Why this pairing: Upper upscale properties invest in custom lighting as a signature design element. Tutamen's CNC + PVD capability enables bespoke frames matching each brand's aesthetic vision with finishes that resist tarnishing for decades.

UPPER
UPSCALE

DOOR HARDWARE

Custom Architectural Pulls

Lobby & Ballroom — Upper Upscale

Material: **SS 316 / Brass** Custom: **From drawings**

Why this pairing: Upper upscale lobbies require statement hardware that reinforces brand identity. Tutamen's 5-axis CNC capability enables complex custom pull handle profiles that cannot be sourced from standard catalogs.

LUXURY

St. Regis, Ritz-Carlton, Four Seasons, Aman, Mandarin Oriental, Park Hyatt

\$\$\$\$\$\$

BESPOKE MANUFACTURING

Custom Door & Bath Hardware Suite

Presidential Suite — Luxury Tier

Material: **Solid Brass / SS 316**

Process: **5-Axis CNC + Hand Polish**

LUXURY

Why this pairing: Luxury properties demand fully bespoke hardware suites where every lever, pull, hook, and fixture is designed exclusively for the brand. Tutamen's Fortune 500 manufacturing pedigree (Tesla, Google) ensures luxury-grade precision at scale.

SMART HOTEL

Bespoke Smart Lock & IoT Suite

Presidential Suite — Luxury Tier

Material: **6061-T6 Aluminum**

Finish: **Custom PVD**

LUXURY

Why this pairing: Luxury brands require technology to be invisible. Tutamen creates custom-designed smart lock housings and IoT enclosures that blend seamlessly with the property's bespoke interior design language.

Cross-Tier Product Compatibility

Products from Tutamen Group that work effectively across multiple hotel tiers, offering procurement flexibility and volume pricing advantages.
